

# *Mark Bishop Seasons*

**A COLLECTION OF THE BEST**

*For everything under the sun,  
moon and stars, there is a season.*

*Solomon in Ecclesiastes*

*You and I are travelers, just passing  
through. The pages of our lives are  
turned so quickly and we go from  
chapter to chapter until finally our  
seasons on earth are one day ended.*

*I feel blessed on this journey to have  
discovered a long time ago that music  
and lyric are a gift from God. With just  
a few notes and words, we can share  
an emotion and a story. Music can be  
a medicine for the hurting; it can be a  
celebration for when our hearts are full.*

*Here are a few of my most requested  
songs through the years. Some are old;  
some are new. Some tell stories; some  
express thankfulness. All are from the  
center of my heart.*

*Thank you for walking down the old  
dirt road with me.*

*Mark Bishop*
